< CAPE TOWN

Baleia's terroir unlike any other in South Africa. In fact, we are the first and only winery in the Lower Duivenhoks ward near the remote hamlet of Vermaaklikheid on the Cape South Coast.

ST SEBASTIAN BAY

The Lower Duiwels River branches out over 83 km from the Langeberg Mountains in Heidelberg to where it runs into the sea at St Sebastian Bay, a life-giving artery in an otherwise arid region. The mineral-rich soils and harsh, cold climate here allow us to make wines that are vividly expressive of their maritime origin.
